

## **SO GOOD**

**I never met a good girl who looks like you  
I never met a fancy lady who moves like u do  
Honey when we walk together hand in hand  
I wish it could be forever in heaven or in hell**

**I've never ever been so in love, yes now sugar  
I've never ever felt like this before**

***And i think it's so good to wake up with u by my side  
And i hope that you'll always be mine  
'cause when we make love, it's so good***

**I never met my bad side so much before  
But then U came along to push me  
Since then i'm always trying to do more  
Honey when we talk togheter  
It's how we feel, fallen into times of wonder  
Where dreams become so real**

**I've never ever been so in love, yes now lady  
I've never ever felt like this before**

***And i think it's so good to wake up with u by my side  
And i hope that you'll always be mine  
'cause when we make love***

***Baby u make me feel so complete  
I didn't know how life could be so damn sweet  
'cause when we make love it's so good***
